

FUNDS AVAILABILITY DISCLOSURE

CHECK DEPOSIT POLICY AND AVAILABILITY OF FUNDS

YOUR ABILITY TO WITHDRAW FUNDS AT ALTOONA FIRST SAVINGS BANK

Our policy is to make funds from your cash and check deposits, including electronic deposits, available to you on the business day we receive your deposit. Once they are available, you can withdraw the funds in cash and/or we will use the funds to pay checks that you have written.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit when we are open, we will consider that day to be the day of your deposit. However, if you make a deposit when we are not open, we will consider that the deposit was made on the next business day we are open.

LONGER DELAYS MAY APPLY

In some cases, we will not make all of the funds that you deposit by check available to you on the business day of your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. However, the first \$200 of your deposit will be available on the business day we receive your deposit.

If we are not going to make all of the funds from your deposit available on the business day of your deposit, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,000 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

SPECIAL RULES FOR NEW ACCOUNTS

If you are a new customer, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits, cash, wire transfers, and the first \$5,000 of a day's total deposits of U.S. Treasury checks, U.S. Postal Service money orders, Federal Reserve or Federal Home Loan Bank checks, cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the business day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you. The excess over \$5,000 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will be available on the tenth business day after the day of your deposit.

HOLDS ON OTHER FUNDS

If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

If we accept for deposit a check that is drawn on another bank, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

RETURNED CHECKS

If a check is accepted for deposit and is subsequently returned unpaid, a fee will be charged. See our fee schedule for current fee.
